City Hall Garage North- Norfolk, VA Structural Precast Concrete Repairs

OWNER: City of Norfolk

ENGINEER: City of Norfolk

Owned and managed by the City of Norfolk, the City Hall North Garage serves as a parking structure for city employees. The garage is a three storied precast concrete structure with two elevated parking levels and one level on grade. The garage was experiencing advanced levels of deterioration due to water infiltration as a result of deferred maintenance.

The **CSI** team performed various structural concrete repairs at the columns, floor slabs, precast double tees and inverted tees on the ramp area experiencing accelerated levels of spalling and delamination.

CSI Scope of Services

- Precast Concrete Double Tees Repairs
- Inverted Tee Concrete Repairs
- Concrete Column Repairs
- Replacement of Precast Double Tee Sealants

Since 1996, **Contracting Specialists Incorporated** has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
