Miami Dade Courthouse - Miami, FL Historic Plaza & Partial Façade Restoration

OWNER: Miami Dade County Internal Services Department

ENGINEER: Wiss Janney Elstner

DESCRIPTION:

Restoration of a historic 1925 terracotta structure

Primary scope of work involved restoration of plaza structure and limited façade restoration.

Project included structural concrete repairs in the basement and crawl space. Terracotta railing repairs, including terracotta glaze repairs, and terracotta and granite cleaning, slate paver and granite stair replacement, hot applied waterproofing and repointing work.

Challenging part on this project was the delicate nature of repairs including matching mortars, terracotta glaze, slate pavers, and granite stair units. The CSI team was able to successfully perform repairs by utilizing experienced work crews that applied unique techniques to this historical landmark.

Since 1996, **Contracting Specialists Incorporated** has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
