Mary McKenna Design Studio, Winchester MA

Façade & Masonry Restoration

DESCRIPTION:

Mary McKenna & Associates purchased and is in the process of renovating the former 1906 New England Telephone Building in Winchester, MA for its design studio and residential loft. The building is located in the downtown historic district across from the Town Hall.

CSI was awarded the contract to perform miscellaneous restoration repairs to the exterior façade of the building. Scope of work included cleaning the masonry and limestone, re-pointing, installation of new lintels, limestone patching, rebuilding of a masonry arch, and re-flaming the granite entrance steps.
