Prince George Condominium - Hallandale Beach, FL Parking Garage & Recreational Deck Renovation

DESCRIPTION:

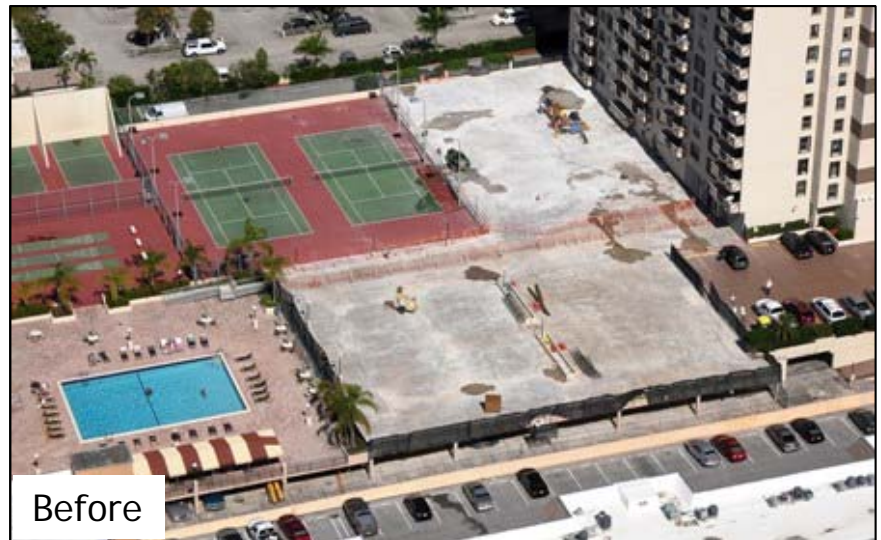

CSI provided a complete recreational deck renovation, including waterproofing and concrete repairs of the entire deck and garage levels at Prince George Condominium.

The CSI team provided structural repairs, waterproofing, planters, lighting, irrigation, drainage, landscape, shade structures, putting green and a paver finishes to provide a complete renovation of a 28,000+ SF recreational deck.

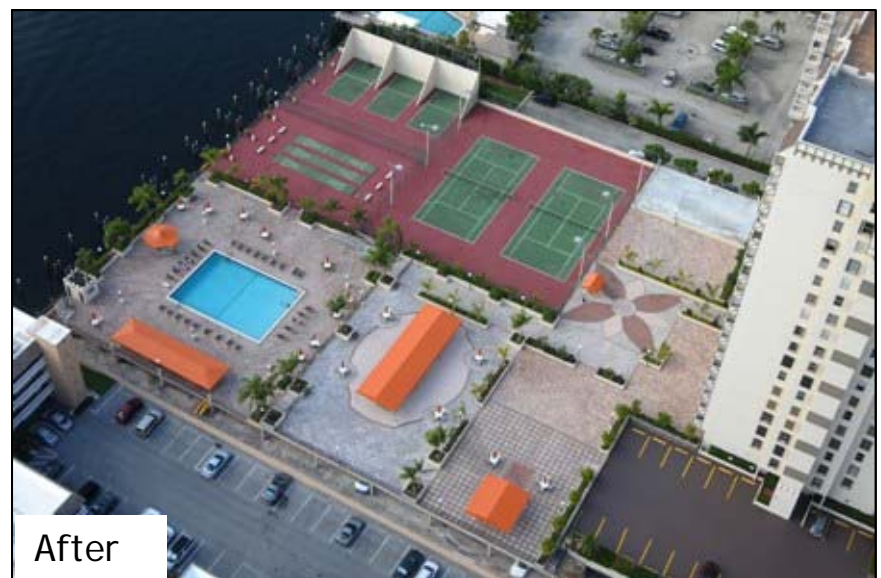

CSI worked closely with all subcontractors to achieve successful results: A completely renovated, water-tight recreational deck that features every amenity that the client requested.

The CSI team's success throughout this project also earned additional work that was not originally scoped for this facility.

OWNER: Prince George Condominium Association
ENGINEER: Tong Le Engineering

Before

After

Since 1996, Contracting Specialists Incorporated has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
