Renaissance 1 Condominiums - Pompano Beach, FL Renovation of Recreational Deck and Garage Level

OWNER: Renaissance 1 Condominium Association
ENGINEER: Miller Engineering

DESCRIPTION:

CSI provided a complete recreational deck renovation, including waterproofing and concrete repairs of the entire deck and garage level at the Renaissance 1 Condominium.

The CSI team is performing structural repairs, waterproofing, planter installation, lighting, irrigation, drainage, landscape, pool and spa restoration, and glass railing and paver finishes to provide complete renovation of the 40,000+ SF recreational deck.

CSI also provided over 12,000 SF of concrete repair throughout all levels of the recreational and parking decks.

The CSI team is currently finishing concrete repairs in the parking garage levels and pool deck, and has provided the owner with a phasing plan to finish all repairs.

CSI is also working with the owner and architect to provide the proper finishes for the recreational / pool deck.

The CSI team's success throughout this project has earned them the opportunity to bid for additional work at this facility.

Since 1996, Contracting Specialists Incorporated has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
