Tampa Road Bridge - Clearwater, FL

OWNER: Pinellas County
ENGINEER: Steve M. Laney
CONTRACTOR: CSI

DESCRIPTION: This bridge is located over the Tarpon Canal on Tampa Road, between East Lake Road and McMullen Booth Road. It handles heavy vehicular traffic throughout the day; therefore, the project required very tactical and methodical implementation throughout the construction process.

CSI was awarded the contract to perform various tasks including; full depth slab replacement, traffic separator replacement, expansion joints replacement, signing and striping, and MOT. The project was to be successfully completed within 60 days to avoid monetary penalties.

CSI successfully completed the project 16 days early, and under budget.

Since 1996, Contracting Specialists Incorporated has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
