## World Trade Center Building Envelope- Baltimore, MD Building Envelope Waterproofing Repairs

**OWNER:** Maryland Port Administration

Constructed in the mid 1970's, the World Trade Center Building is the world's tallest regular pentagon shaped structure. Located in Baltimore's inner harbor, the building is a landmark feature of the city skyline rising above 400 feet in height. Constructed of cast-in-place concrete, the building houses various government agencies as well as private businesses.

### CSI Scope of Services:
