## Whidden Hospital, Everett MA Parking Garage Repairs & Restoration

### DESCRIPTION:

As with many garages, this project involved scope including: concrete repairs of varying depths and thicknesses; expansion joint replacement; post-tensioned cable reinforcing system repairs; caulking removal/replacement; coating removal/replacement including coating the entire roof levels; drain system cleaning, repair/replacement; lead paint abatement; new stairwell doors and frames; and new parapet wall cap flashing.

Due to the size and shape of this particular garage, managing traffic was a full-time construction task.

Since 1996, **Contracting Specialists Incorporated** has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing.
